Filesize: 2.28 MB

Reviews

Absolutely one of the better ebook We have ever study. it had been writtern quite completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Carol Lehner II)

INFERIOR: THE TRUE POWER OF WOMEN AND THE SCIENCE THAT SHOWS IT (PAPERBACK)**DOWNLOAD**

HarperCollins Publishers, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Are women more nurturing than men? Are men more promiscuous than women? Are males the naturally dominant sex? And can science give us an impartial answer to these questions? Taking us on an eye-opening journey through science, *Inferior* challenges our preconceptions about men and women, investigating the ferocious gender wars that burn in biology, psychology and anthropology. Angela Saini revisits the landmark experiments that have informed our understanding, lays bare the problem of bias in research, and speaks to the scientists finally exploring the truth about the female sex. The result is an enlightening and deeply empowering account of women's minds, bodies and evolutionary history. Interrogating what these revelations mean for us as individuals and as a society, *Inferior* unveils a fresh view of science in which women are included, rather than excluded.
