## THE HOLES AROUND MARS (PAPERBACK)

DOWNLOAD

AEGYPAN, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Allenby, in command of the Mars I, was first to set foot outside the ship. He took his one small step for man -- and found himself staring at the rock in front of him. It was about five feet high. Ordinary granite -- no special shape -- and several inches below its summit, running straight through it in a northeasterly direction, was a neatly round four-inch hole. He made a pun and grunted. Well, I ll be, said Janus, our photographer. A hole. In a rock, added Gonzales, our botanist. Round, said Randolph, our biologist. An artifact, finished Allenby softly. Before we were done we d found similar holes all over the surface of the planet.
