

Modern Banking: Theory and Practice (2nd Revised edition)

By D. Muraleedharan

Prentice-Hall of India Pvt.Ltd. Paperback. Book Condition: new. BRAND NEW, Modern Banking: Theory and Practice (2nd Revised edition), D. Muraleedharan, Technological innovations and advances have spread into every sphere of life, and banking is no exception. With competition being fierce, business, especially banking, has to adopt new methods and techniques. This text examines the latest developments in the Indian Financial System and the roles the Indian banking sector has played in the development of the economy. Practical and comprehensive, the book discusses modern trends in Indian banking, especially its use of new technology. It covers a wide range of topics, including financial markets and institutions; the role of central banks in different countries; basic lending principles; methods of remittance; and micro-credit. It also examines venture capital, credit rating, modern e-payment systems, core banking, and hi-tech banking. Now in its second edition, the book has been thoroughly revised and updated. This edition includes new topics, such as local area banks, the EXIM Bank (Amendment) Act, 2011, stock invest, the Factoring Regulation Act, 2011, prepaid payment instruments, GIRO payment, white label ATMs, tablet banking, recent development in priority sector lending, Micro-finance Institutions (Development and Regulation) Bill, 2012, technology in the banking sector,...

Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Ken Watsica

This composed pdf is excellent. We have go through and that i am certain that i am going to likely to read again once more down the road. I am just happy to explain how this is basically the very best publication i have go through within my own daily life and can be he best publication for actually.
