The Poisoned Pencil. Paperback. Book Condition: New. Paperback. Dimensions: 8.5in. x 5.5in. x 1.0in. Jonathan Stiles is a 14-year-old atheist who is coping with his first day of ninth grade at the fervently religious St. Sorens Academy when his idolized older brother Ryan is found dead at the bottom of a ravine behind the school. As his world crumbles, Jonathan meets an eccentric stranger who bears an uncanny resemblance to Jesus Christ (except for his white linen leisure suit and sparkling gold chains). Jesus Jackson, as he calls himself, offers to provide faith to Jonathan. He also suggests that Ryans death may not have been an accident after all. Jonathan teams up with Henry, his new best friend at St. Sorens, to investigate. The two boys find footprints leading to the ravine that match Ryans sneakers. They are assisted by Ryans grieving girlfriend, Tristan, who also thinks the accident theory is bunk. The police, however, will not listen. But Jonathan knows something the police do not know: Shortly before his death, Ryan was doing cocaine with fellow footballer and number one suspect Alistair not far from the ravine where his body was found. An inspired Jonathan battles sanctimonious school psychologists, overzealous administrators, and a cavalry of Christian classmates on his quest to discover the truth about Ryans death --and about God, high school, and the meaning of life, while hes at it. But he keeps getting distracted by Cassie --Alistairs quirky younger sister --who holds the keys to the answers Jonathan is searching for, but but who also makes him wonder if he should be searching for them at all.
