

The Lazy Millionaire (Paperback)

By Marc Fisher

Frederick Fell, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. Work and work hard all of the time! Until you have no life. or, until you become ill! Unfortunately, many of us think that the fundamental building block towards financial freedom and success is hard labor! Perhaps it s because it is what we were taught by our parents or because that is what we learned in economics class. But what if Leonardo da Vinci was right? What if we could accomplish more--A LOT MORE--while doing less? Fisher validates Da Vinci s theory through logical example and recognized psychological laws. The author demonstrates that anyone can become a Lazy Millionaire in the 1 to 10 million dollar range within a 10-year period. Free yourself of the burden of work and all the obligations, real or perceived, that interrupt our daily lives. Enlightening case-studies and inspiring anecdotes will reveal how YOU too can work less and make more money while fulfilling your dreams!.
