By Alan M Davick

Miskidding, LLC, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Does your child hit, bully, assault or even stab others - peers, adults, even you? Have you been contending with a threat of your child's suicide? These behaviors are ignited by anger that morphs into rage. And if your child suffers from an underlying, but unrecognized mental health vulnerability, rage may progress to violent, even suicidal or homicidal behavior. Using the analogy of spark, tinder, fuel for triggers, anger and underlying vulnerabilities, Dr. Davick shows you how to expose the process by which violent behavior develops. In this book you will learn to recognize triggers, lessen your child's anger and render underlying mental health vulnerabilities harmless.
