International Marine Publishing Co, United States, 1992. Paperback. Condition: New. Language: English . Brand New Book. For those who own a cherished but dilapidated fiberglass runabout, or for those who want a boat but are turned off by the high prices and often poor quality of today's offerings, this book explains everything there is to know about turning a rundown runabout into a real showpiece for a fraction of the cost of a new model. In addition, many marine dealers and technicians never seem to have the right answers or the time to spend on people who own little boats. Hence Runabout Renovation, a complete guide to finding and fixing up old fiberglass speedboats. You'll learn how to: Choose...
