

Prices and Choices: Microeconomic Vignettes (Paperback)

By David Hemenway

University Press of America, United States, 1993. Paperback. Condition: New. Third Edition. Language: English . Brand New Book. Prices and Choices is a collection of twenty-seven short, lively essays specifically designed to provide stimulating supplementary readings for introductory or intermediate microeconomic theory classes. Hemenway puts economic concepts to work, using tools of analysis that are well within the grasp of undergraduates. Students will have experience with, and ideas about, the topics and will therefore be able to enjoy Hemenway's entertaining discussions on economic theory; questions at the end of each chapter are included to promote active classroom discussion. Specific topics include: temptation, fashion, haggling, tipping, insurance, crime, quality, inspection, safety, health care, and the Bible.

Reviews

Absolutely essential go through publication. This can be for all who statte there was not a worthy of looking at. Its been printed in an remarkably basic way and it is just right after i finished reading this book through which in fact altered me, modify the way i think.

-- **Dr. Haskell Osinski**

These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.
