Bushwomen: How They Won the White House for Their Man

By Laura Flanders

Verso Books. Paperback. Condition: new. BRAND NEW, Bushwomen: How They Won the White House for Their Man, Laura Flanders, The Right has been using culture wars to divide and conquer for years, but in 2004, that strategy was given a new twist. In an election where women's votes were key, the Bush team used highly placed female appointees to run cover for the most reactionary administration of our time. Flanders predicted gender politics would be crucial in the 2004 race. Her prescient book is the first to investigate the Bush administration's estrogen shield. Bushwomen exposes Condoleezza Rice's complicity in human rights crimes, Lynne Cheney's lesbian novel, Karen Hughes' debt to NOW, and an insightful new chapter takes a bracing look at the 2004 election and the area to come. A New York Times bestseller, Bushwomen is the only book to unmask how the most powerful women in the world are using the rhetoric of women's rights to advance an unpopular corporate agenda around the globe.

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ms. Fatima Erdman**

This book is really gripping and fascinating. I was able to comprehend every little thing out of this published e pdf. Your life span will likely be transform when you full looking at this ebook.
