Sola Rosa Tech Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is designed to help engineers, scientists, and business consultants with language review. Too frequently, juniors submit reports for senior technical review with the English in such a poor state that the senior reviewers end up staying all hours of the night revising the English before they can even begin on the technical detail. This text can help seniors streamline that process. The tips within can also help juniors to improve their writing. It can also help to identify language tasks that might safely be assigned to subordinates, to get the team working together more smoothly and reduce pressure on the seniors.
