## THE GUIDE TO BASIC COVER LETTER WRITING

McGraw-Hill Education - Europe, United States, 2003. Paperback. Book Condition: New. 2nd Revised edition. 272 x 212 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Job search tip number 1: Make your cover letter count! While you may spend days perfecting your resume, remember it s the cover letter that gets read first, and it has the potential to put you either over the top or in the discard pile. Don t sell yourself short with a hurried, generic letter that makes your resume do the brunt of the work of impressing your future employer. Follow the advice in the PLA s revised Guide to Basic Cover Letter Writing to devise a document that skillfully complements your resume and, in the space of 8-1/2 x 11 inches, establishes you as a must-see interviewee.Whether you re changing careers, re-entering the job market, or looking for your first job, this comprehensive, easy-to-follow guide will show you how to: create a cover letter that highlights the experience and training that make you the ideal job candidate; draw from dozens of sample letters for all types of positions to construct a template that works for your needs; showcase your style and personality in a way the strict format of a resume doesn t allow for; grab the reader at first glance with professional quality proofreading, formatting, and printing; keep your name on the short hiring list with polished post-interview follow-up correspondence; take advantage of technology with electronic submissions and online job search strategies. In today s competitive job market, the importance of a clear, concise, carefully crafted cover letter is more important than ever before. Get it right and get the job with the help of The Guide to Basic Cover Letter Writing.
