Reviews

It is in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.What if some of the most powerful words in your organization were, I m not sure, I need help, and I have a new idea. What if people could simply communicate what they are really thinking without having to run it through verbal Photoshop first? When you have the upper hand in the relationship-when you are the leader-your people should be able to Say Anything to you. It is your responsibility to create an authentic environment characterized by honesty and trust that encourages everyone to share their ideas. When your people don t speak up-it s not their problem-it s yours. Say Anything connects you with leaders from a diversity of backgrounds. You ll learn from top executives in Silicon Valley, an NFL kicker, and simultaneously find brilliance locked inside the walls of a Washington State penitentiary. You ll read compelling research involving a murder mystery scenario, and explore the quiet wisdom of a renowned horse whisperer. You ll travel along as we unpack lessons from the Civil War and the U.S. Navy, then you ll laugh with us at our own Reality TV debacle. The collection of lessons packed into this book will leave you better than they found you. We promise. Ultimately, this book is a letter to leaders-filled with experience, research, and practicality. Working inside the walls of a vast array of organizations for the past decade, we have seen time and again leaders are failing to draw out ideas from their introverts and, at the same time, shutting up their extroverts. It s happening in all organizations-including yours. And, rest assured, the losses resulting from timidity and silence are immense. Three...
