Salariya Book Company Ltd. Paperback. Book Condition: new. BRAND NEW, Robert Louis Stevenson's Dr Jekyll and Mr Hyde, Fiona MacDonald, "Graffex" is a series of illustrated literary classics retold for young readers, using a graphic novel format which is particularly popular with reluctant readers. Who is the mysterious Mr Hyde, who stalks the streets of Victorian London at night committing indescribable crimes? And why does he have such a hold over the famous and respectable Dr Henry Jekyll? As the mystery unfolds, a shocking truth emerges. The classic story is presented as an exciting and fast-paced graphic novel which remains faithful to Stevenson's original text - unlike the many later film versions. Specially commissioned full-colour artwork brings excitement and atmosphere to this classic tale. Speech bubbles work with the main text to emphasise and enhance the retelling. A running glossary at the foot of each page helps young readers with any challenging vocabulary without disrupting their reading experience. Endmatter provides information about the author, the historical background to the period in which the author lived and a timeline of world events that places the work in its historical context.
