Reviews

This book will not be straightforward to start on studying but really fun to read. it absolutely was writtern really flawlessly and helpful. You can expect to like just how the writer write this publication.
(Glenna Goldner)

DEAD TO ME

Penguin Publishing Group, United Kingdom, 2008. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. A new urban fantasy featuring a man working on the right side of law-with talents that come from left field. Psychometry-the power to touch an object and divine information about its history-has meant a life of petty crime for Simon Canderous, but now he's gone over to the good side. At New York's underfunded and (mostly) secret Department of Extraordinary Affairs, he's learning about red tape, office politics, and the basics of paranormal investigation. But it's not the paperwork that has him breathless. After Simon spills his coffee on (okay, through) the ghost of a beautiful woman-who doesn't know she's dead-he and his mentor plan to find her killers. But Simon's not prepared for the nefarious plot that unfolds before him, involving politically correct cultists, a large wooden fish, a homicidal bookcase, and the forces of Darkness, which kind of have a crush on him.
