Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *The Christian Sabbath: Its Nature, Design and Proper Observance* It must be confessed that the Christian world now presents an anomalous condition touching the Sabbath. Strict Protestants usually profess in theory the views once peculiar to Presbyterians, and admit that the proper observance of the Sabbath is a bulwark of practical Christianity. But their practice does not always correspond with their theory. In actual life there is, among good people, a great uncertainty, with a corresponding confusion of usages, from great laxity up to the sacred strictness of our pious forefathers. It is greatly to be feared that those in the Church who tolerate this laxity are increasing in numbers and influence. The civil law, which guarantees the Sabbath rest to all as a secular benefit and right, is enforced with more and more difficulty, especially in populous places; and this law is disregarded with increasing boldness by powerful corporations and by those who offer amusements and sensual enjoyments to the public. Hence the wisest friends of truth and good have taken the alarm. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
