FBC LTD, 2017. Hardback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Excerpt from *Petite Anthologie Poetique, ou Choix de Poesies, a l Usage de la Jeunesse, Tirees des Meilleurs Auteurs Modernes* It has generally been acknowledged of late years, that one of the best methods of acquiring a pure and correct pronunciation of the French, or any other modern language, is, by learning every day, a small portion of some good and classic author. Poetry is usually employed for this purpose, as more easily retained than prose; and yet there has not been published in England, a single collection that can be safely placed in the hands of young persons. The little volume now offered to the public, was begun at the earnest request of some young friends, and by the assistance of others, it has assumed its present form. We trust that the pleasing character and easy measure of many of the poems, may assist in removing a few of the difficulties, which must always be met with in every new pursuit; and that this small collection may be found an acceptable addition, to the many excellent works, for the use of young persons.
