One thing above all separated the radical students who demonstrated on the streets of West Berlin and Frankfurt in 1968 from their counterparts in Berkeley or New York. In the US, the baby boomers grew up in the shadow of what Tom Brokaw called the greatest generation. In its place, Germany had the so-called Auschwitz generation. What became known in Germany as the 68 generation or just the Achtundsechziger had grown up knowing that their mothers and fathers were directly or indirectly responsible for Nazism and in particular for the Holocaust. Germany s 1968 generation did not merely dream of a better world as some of their contemporaries in other countries did; they felt compelled to act to save Germany from itself. Even more disturbingly, despite the anti-fascist rhetoric of the Achtundsechziger , there were also anti-Semitic and nationalist currents in the West German New Left that grew out of the student movement. Utopia or Auschwitz traces the political journey of Germany s post-war generation and examines the influence that its ambivalent attitude to the Nazi past had on the foreign policy of the red-green government between 1998 and 2005, which included several former members of the student movement like Joschka Fischer. The red-green government..
