Reviews

A whole new e book with a brand new point of view. I could possibly comprehend every thing using this written e book. Its been written in an extremely simple way which is only soon after i finished reading through this ebook by which actually modified me, change the way in my opinion.

(Marcia McDermott)

CLASS ACT #2 (PAPERBACK)

Penguin Putnam Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Fans of Princess Posey and Ivy and Bean will enjoy rooting for Jada Jones as she runs for student council in this easy-to-read chapter book. As a candidate for class representative, Jada is ready to give the campaign her all. But when rumors start to fly about her secret fear of public speaking, she isn't sure who she can trust. And the pressure to make promises she can't keep only adds to her growing list of problems. Is winning even worth it when friendships are on the line? This easy-to-read story--with plenty of pictures and a charming, relatable cast of characters--is a sure winner. The early chapter book bridges between leveled readers and chapter books for fluent readers adjusting to the chapter book format. At about 5,000 words, with short chapters and two-color art on almost every page, it will appeal to this unique reader. The two-color art throughout will help readers transition from the familiar four-color art of leveled readers and ease them into black-and-white chapter books.
