Filesize: 6.2 MB

### **Reviews**

*Merely no terms to explain. it was actually writtern quite properly and helpful. I realized this pdf from my dad and i suggested this ebook to discover.*

*(Cletus Quigley)*

## DAYS OF GRACE: A MEMOIR

Random House USA Inc, United States, 1994. Paperback. Book Condition: New. Reissue. 170 x 104 mm. Language: English . Brand New Book. A remarkable and inspiring memoir by a remarkable and inspiring human being: Arthur Ashe, embodiment of courage and grace in every aspect of his life, from his triumphs as a great tennis champion and his determined social activism to his ordeal in the face of death, a casualty of AIDS. As he brings us into his childhood in Richmond, Virginia, where he was born in 1943, where his mother died when he was six, and where he was raised by a loving but demanding father who set before his son the goals of self-reliance, discipline, and responsibility. He recalls his exit from the then segregated South and his entry into the world of tennis: a black intruder in an all-white enclave, experiencing from the start every variety of rude or polite exclusion and yet becoming, despite it, one of his generation s great players. He takes us inside the tennis world of his championship years and his captaincy of the Davis Cup team. He describes the full emotional shock of the discovery in 1988, in the aftermath of a brain operation, of his infection with AIDS - an infection that was traced back to a transfusion after a heart bypass operation in 1983. He tells what took place when he confided his condition to his wife and to a few close friends and colleagues. And he fully recounts for the first time what happened when, in April 1992, the possibility of a newspaper report forced him to reveal his illness to the world, the ordeal that ensued, and his feelings about it. We see how, during the last five years of his life, Ashe devoted the brilliance and...
