Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. When Mimi buys a book at a store downtown - because she likes the leather spine and clasp - little does she realise the trouble it will cause, not only to her, but to her friends and family. The book contains a bunch of harmless magic spells, and she decides to try some out. Then she s troubled by strange dreams at night; of fearsome woods, a monstrous beast and a group of men intent on her destruction. Mimi gets a warning from big sister Tara who no longer lives at home but still keeps an eye on her. The book is more sinister than it seems; it must be returned to its rightful owner before the dreams become reality. There follows an adventure where Mimi, her sister Tara and a boy from another time try to keep the book from falling into the wrong hands. Only with time on their side and a lot of luck, will they come through unscathed.
