Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Lake Temiscamingue District, Province of Ontario, Canada: A Description of Its Soil, Climate, Products, Area, Agricultural Capabilities and Other Resources; Together With Information Pertaining to the Sale of Public Lands I have only stated what I know to be facts, and in relation to agricultural possibilities I write from an experience that extends over a period of about twenty years. I have not quoted the words of others, believing that my own experience should teach me best what information is most needed by intending settlers, and that one whose manhood has been spent in any particular portion of a country, has more real knowledge of its conditions than could possibly be gained by a hurried visit, or from unreliable hearsay. I have sacrificed the artistic, the literary and the romantic, for the practical, everyday questions of common sense. Nor is this a guide book for tourists. I speak to men with whom the question of the day is how to live and make money, not how to spend it for by such men is the bush subdued, and the forests turned into farms.
