Accountability Office, 2008 OCLC Number: (OCoLC)244390037 Subject: Traffic safety -- United States. Excerpt: . . . daytime safety belt use, it does not directly measure nighttime safety belt use, despite recent efforts to increase the use of safety belts at night. NHTSA is working to develop more comprehensive performance measures. Nevertheless, to improve these evaluations, we recommended that NHTSA develop a minimum core set of reporting requirements for states and include additional performance measures in the evaluations. As we recommended in 2003, NHTSA has improved the consistency of its NHTSA Has Improved Its oversight process, including implementing the requirement added by Oversight of States, but SAFETEA-LU that the administration conduct a management review of Does Not Currently each state at least once every 3 years. NHTSA regional officials conducted Analyze the Management 56 of the 57 required management reviews from fiscal years 2005 through 21 Review Recommendations 2007. NHTSA also refined its management review guidance to clarify the to Identify Common State process each regional office uses to initiate, conduct, and publish a final Problems and Direct management review report. In addition, NHTSA developed a tool - the corrective action plan - to track state implementation of management Resources Accordingly review recommendations and encourage states to act on the administrations advice. Recently, NHTSA has worked with the Governors Highway Safety Association (GHSA) to clearly distinguish between recommendations related to noncompliance with statutes or regulations, which states are required by law to implement, and recommendations related to best practices, which states are not required to implement. NHTSA has also trained regional officials on these changes to the management review process and established a national team to...
