Molly struggles with the growing drug problem and violence happening in her big city neighborhood. She loves the peace she finds in her apartment building s rooftop garden, but the violence on the streets below make her want to see big changes in the place she calls home. Because she is a little girl, Molly believes she can t really make a difference. Then her best friend Jesus appears and takes her on the voyage of a lifetime, showing her how the world was changed when God flooded the earth. Molly meets Noah and his extraordinary family as they show perseverance through trials and hardships, having only their faith in God to guide them. She learns how a family s trust in the Lord and doing what is right can change the future of the world. Victor Nelson lives near Cincinnati, Ohio. His first book in the series is Molly s Secret Garden: In the Beginning. I love the innocence of children. I love seeing the feeling of achievement in their face when they learn and experience new ideas for themselves. With a young girl like Molly and the endless stories of the Bible, I love being able to create a story line that embellishes those ideas.
