## The Tin Men (Valancourt 20th Century Classics) (Paperback)

By Michael Frayn

Valancourt Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The William Morris Institute of Automation Research is working hard to simplify our lives by programming computers to carry out life's routine tasks. Whether it's resolving ethical dilemmas, writing pornographic novels, saying prayers, or watching sports, these automation experts are developing machines to handle it all, enabling us to enjoy more free time. But when it's announced that the Queen will be paying a royal visit and the Institute's madcap bunch of researchers decide to program the computers to receive her, what could possibly go wrong? Winner of the Somerset Maugham Award, *The Tin Men* (1965) is the brilliantly comic first novel from Michael Frayn, author of the Booker Prize-nominated *Headlong*, *Spies*, and *Skios*, and *Noises Off*, the funniest farce ever written ( *NY Times* ). This 50th anniversary reissue features a new introduction by the author. Continuously funny . The fun of *The Tin Men* is outrageous because it is so serious. - Anthony Burgess, *Guardian* A fast swooping performance by one of our very serious satirists . This is a very funny book and delightful to...

### Reviews

*A really wonderful book with perfect and lucid information. I actually have study and i am sure that i am going to gonna read through once more yet again in the future. I am pleased to explain how this is actually the finest ebook we have study inside my personal daily life and might be he finest book for at any time.*

-- **Kristy Stroman**

*This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so i am sure that i will gonna study once more yet again later on. I am very happy to inform you that here is the finest publication i actually have read inside my personal daily life and might be he best publication for possibly.*
