Forel Books, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A collection of pithy sayings and commentaries on the current political, economic and pop cultural scene. Yes, it s all become one scene now, thanks to today s omnivorous news cycle. With its observations on government, big business, religion, politicians, celebrities, and rock n roll stars, this book is sure to please and offend both liberals and conservatives, though not necessarily in equal measure. Nationism: is it conservative liberalism or liberal conservatism? Does that question even make any sense? When is a liberal not a liberal and a conservative not a conservative? And what does money have to do with it? Read this light tome of funny yet earnest and informed bon mots and decide for yourself. Quip, quip, hooray!.
