Headline Publishing Group, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. In 2007, after twenty years of living in London, Kate Humble and her husband Ludo decided it was time to leave city life behind them. Three years later, now the owner of a Welsh smallholding, Kate hears that a nearby farm is to be broken up and sold off. Another farm lost; another opportunity for a young farmless farmer gone. Desperate to stop the sale, Kate contacts the council with an alternative plan - to keep the farm working and to run a rural skills and animal husbandry school alongside it. Against all odds, she succeeds. Here, in *Humble By Nature*, Kate shares with us a highly personal account of her journey from London town house to Welsh farm. Along the way we meet Bertie and Lawrence the donkeys, Myfanwy and Blackberry the pigs and goats Biscuit and Honey, not forgetting a dog called Badger and his unladylike sidekick Bella. And we are introduced to the tenant farmers Tim and Sarah, the locals who helped and some who didn't, and a whole host of newborn lambs. Full of the warmth and passion for the natural world that makes Kate such a sought after presenter, *Humble By Nature* is the story of two people prepared to follow their hearts and save a small part of Britain's farming heritage, whatever the consequences.
