## THE VINE AND ITS CULTURE (CLASSIC REPRINT)

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 26 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Excerpt from The Vine and Its Culture The vine and its chief product, wine, hold a prominent place in sacred and profane history. Beyond every other natural production, wine took the first hold upon the personal, social, national and religious life of every ancient people. It was the only article of constant use that was legislated for, or against, and with corn and the olive held for ages the proud position of one of the three staples of life. There can be no question that the vine was known to the Antediluvians and it is equally probable that its cultivation was one of the few occupations regularly followed by them. The inspired record gives countenance to this view in the first mention made of the vine and wine. One of Noah's first acts after the Deluge was to plant a vineyard and drink of the wine and become drunken. It is just possible that the sin of drunkenness was one element in the wickedness of the men before the flood. There is an added interest to this first reference to the vine and wine, in the fact that to this day the forests of Armenia, the district of Ararat, extending to the Caucasus, are celebrated for their vines, which grow wild throughout the whole region. The bunches are enormously large, and the quality of the fruit unsurpassed. The fact that no apparent signs of degeneracy appear makes it highly probable that this is the native home of the vine. Of course, on this point nothing is, or can be, certainly known. From the time that Noah planted his vineyard, every heathen nation seems to have contended for the honour of being the original...
