

Bird Life in England (Classic Reprint)

By Edwin Lester Arnold

Forgotten Books. Paperback. Condition: New. This item is printed on demand. Dimensions: 9.0in. x 6.0in. x 0.8in. Excerpt from Bird Life in England IN these pages I have attempted to give a somewhat unconventional view of bird life in England and her sister kingdoms to north and west. The naturalist may smile at a monograph so incomplete as this, but in Yarrel, Morris, Gould, Grey, and a score of others, he will find exhaustive authors who have gone with infinite care and pains through the whole list of British birds and epitomized each. No attempt of this sort has been made here. There are, to begin with, more than three hundred birds nesting with greater or lesser frequency in our islands, and even at such modest allotment as two pages to each, we should have at once a bulky volume of six hundred pages. But the greater part of these wild fowl of meadow and marsh are the curators birds alone, and lovers of country side and the life of copse and dingle can only hope to meet with but a very much reduced selection from the formidable list which professors and students have put together. It is of these...
