By Daniel Fulton

WestBow Press, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book is written as a travel log to the Churches that have survived and thrived during and after the Castro revolution in Cuba. The author takes you on a journey to the Cuba that Castro has neglected and time has forgotten. Clean water filtering systems are installed in these Churches. They give it to anyone who is in need. This is a wonderful evangelistic tool. On average a church doubles in size in two years of an installation. The Bibles given out insure that God's Word is heard by all the new members. Clean water and Bibles are both scarce in Cuba. Come with him and experience Cuba away from the large cities, the rural, real Cuba.
