Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Is your cat acting more like an untamed lion than a cute, domesticated kitty? Is your cat scratching, biting and disobeying everything you tell him? Have you ever wondered what your cat is trying to tell you in his language? If you answered YES to any of those questions, then you NEED to read this book. It is very easy to overlook cat training and forget to properly train your kitten from the first day he arrives home. We all know about the effects that an untrained cat can have on our stress levels and wallet. Don t underestimate the effects that proper training and care can have on the behavior of your cat. We all know how tricky it can be to solve behavior problems and understand cats without a guide. Cats can sometimes seem unpredictable and apparently less inclined to cooperate with us. Here s some of what you can expect to learn inside the pages of this book: Learn what triggers bad behaviors and what training mistakes to avoid so you can accelerate the learning process. Understanding what your cat is trying to tell you in his language and completely eliminate guesswork. How to potty train your cat so that he doesn t turn your entire house into his own litter box. How to make older cats accept new members of the family without any unwanted behaviors. Learn how short or long training sessions should be based on your cat s age. This is very important! Proper training can have a lot of good benefits on the health and stress levels of your beloved companion. Your cat will thank you for it. The best moment to start with cat training is...
