INHABITED (PAPERBACK)

Torrey House Press, 2016. Paperback. Condition: New. Language: English . Brand New Book. [Inhabited] spotlights the complex forces behind the spaces we call home. --MINNEAPOLIS STAR TRIBUNE The lives of Quimby s finely drawn characters interweave to produce a panorama as wide and full of light as the near-desert setting. Even his minor figures add significantly to the whole, and his skillful and delightful turns of phrase make reading this evocative novel a pleasure. --PUBLISHERS WEEKLY, starred review Quimby s descriptions of Colorado s high country show a painterly flare.an intriguing examination of people and a place in transition. --KIRKUS REVIEWS Quimby s experiences as a Colorado native and an advocate for the homeless provide the novel s backbone, but its real strength is in its cast of vivid, relatable individuals. Recommend to readers attuned to Kent Haruf, Annie Proulx, Laura Pritchett, and Bonnie Nadzam. --BOOKLIST Inhabited is an outstanding novel with memorable, believable characters who deal simultaneously with the challenges of reclaiming and redeeming themselves as well as the landscapes that define their communities. --THE UTAH REVIEW Charlie Quimby is a writer with a big talent, big heart, and big social conscience. In his second novel, Inhabited, characters finely drawn and memorable live amidst the crisscrossing lines of moral conscience, political juggling and economic expediency, a tough neighborhood. I was staggered by the authenticity of these people and their dilemmas. --FAITH SULLIVAN, author of Goodnight, Mr. Wodehouse and The Cape Ann Charlie Quimby is the sharpest shooter in the West. Inhabited is a dramatic, honest, humane portrait of a Colorado city in the throes of great change and great choice. The characters and the setting are indelibly rendered.We re all in the mix here--rich and poor, homeless and over-housed, rancher and eco-activist, native politician and outside scoundrel. Inhabited is...
