Condition: New. Publisher/Verlag: Éditions universitaires européennes | Historique et formation des sapeurs-pompiers | Cet essai retrace l'histoire de la formation des sapeurs-pompiers, depuis l'Antiquité et les grands incendies de Rome, jusqu'à nos jours. Quels sont les enjeux réels du métier de sapeur-pompier, quelles formations leur sont proposées, quelles améliorations pourraient-elles être envisagées? La profession évolue obligatoirement avec la diversification des missions et la multiplication des risques liés à l'évolution constante de la société, dus notamment au développement de l'urbanisation, de l'industrie chimique et nucléaire, ou à l'accroissement des transports. Les pompiers doivent faire face aux risques tant courants qu'exceptionnels. L'éthique "courage et dévouement" se transforme et se dirige vers une éthique "préventive et technique"? Est-ce possible et cela annonce-t-il une ère nouvelle? | Format: Paperback | Language/Sprache: fre | 388 gr | 280 pp.
