This book is really gripping and fascinating. Of course, it is actually play, nonetheless an interesting and amazing literature. You will not feel monotony at anytime of the time (that's what catalogs are for about if you request me).

MARY OF MAGDALA (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Mary of Magdala The caravan was made up of five and twenty camels. At the head of the caravan rode two men on fleet footed camels. That the riders were men of strength and courage was in every line of their dark faces. Each rider had a sword at his side and a spear in his hand, and they kept a constant watch for unfriendly travelers. Next in line came a white dromedary richly bedecked. The shimmering cloth which covered the beast of burden bulged on either side of the animal in front of the rider; and when the beast made an unusual movement, there was a sound of precious metal. The bags contained the shekels gained by trade in Jerusalem. The rider, like the two that rode in advance, was alert and his hand rested lightly on a Damascus sword. Next came two other riders equipped like the first two, and they were equally as eager as their companions to protect their master. Following these two came twenty camels, one chained, to the other and in charge of four cameleers. The sun was rapidly dropping behind the western hills, and the caravan was anxious to reach Magdala before the gates of the city were closed. And the everseer was eager to report a safe return to Isaac Akiba, his master. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
