

She Also Served Letters from a Navy Wife

Filesize: 7.55 MB

Reviews

This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.

What was daily life like for a Navy officers wife in California during World War II In China amid civil war In London and Europe during the Cold War *She Also Served: Letters from a Navy Wife* offers an up-close and personal account of one womans life during extraordinary times. With an eye for detail and an irrepressible sense of humor, Virgilia Short Witzel (1910-2004) tells the lesser-known stories of the Greatest Generation, those of a woman who served behind the scenes. Through skillful reporting, she reveals the dedication (and stamina) required to protect her family, support her husbands career, and represent the best of America, at home and overseas. Her younger daughter, Christine Witzel, sifted through hundreds of private letters, compiling the most entertaining and historically interesting selections. The result is an eminently readable collection. In the process, Christine, born in 1950, discovers a side of her mother that she had never known as well as a window into history as it unfolded. With her husband stationed in the Pacific, Virgilia moves into the Snuggery, a guest cottage behind her parents home in Menlo Park, California. She plants vegetables in a victory garden, rolls bandages for the Red Cross, and tries to achieve a sense of normalcy for herself and daughter Joanna amid rationing, shortages, and loneliness: Going to weddings without a man of your own is a very bad business, she writes. Whoever wrote that book about living alone and liking it was either a fool or a liar. I can see why some women rent escorts! Come on home before I set a trap for the milkman! (July 4, 1943) Organizing a wartime birthday party is no...
