Think God

By Glen H. Kippel

Xulon Press. Paperback. Book Condition: New. Paperback. 92 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. Is God really some big old guy in the sky with a long, white beard, throwing thunderbolts at people He doesn't like? Think God! demonstrates the folly of that idea as a result of over forty years of study in science and the Bible. Some of its concepts may at first seem unusual, or even controversial. The ideas in Think God! are not presented as a final explanation as to the nature of God and the universe, but as a plausible, science-based scenario that gives the reader a sound reason to believe that God does exist, and that He is a rewarder of those who diligently seek Him (Hebrews 11: 6). I have always loved Glen's insights into the deeper mysteries of the faith. His recognition that science and faith are not at all incompatible, but actually in perfect harmony, will be a boost to your faith. In this age of skepticism, Glen's book will equip you to enter the dialogue with confidence! - Jeffrey Cranford, PGA golf pro and President of Links Players International, a Christian golf media ministry and publisher of the Links Letter....

Reviews

Absolutely essential read through book. it was actually written quite properly and useful. Its been developed in an remarkably basic way and it is only following i finished reading through this ebook where really changed me, modify the way i believe.

-- **Torrey Jerde**

Unquestionably, this is the finest function by any article writer. I have read and that i am confident that i am going to likely to read yet again once again later on. Your daily life period will probably be transform when you comprehensive reading this article book.
