

Oracle Sales Cloud Complete Self-Assessment Guide (Paperback)

By Gerardus Blokdyk

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Are there any constraints known that bear on the ability to perform Oracle Sales Cloud work? How is the team addressing them? What tools and technologies are needed for a custom Oracle Sales Cloud project? What are the revised rough estimates of the financial savings/opportunity for Oracle Sales Cloud improvements? Does the Oracle Sales Cloud performance meet the customer s requirements? What would be the goal or target for a Oracle Sales Cloud s improvement team? Defining, designing, creating, and implementing a process to solve a business challenge or meet a business objective is the most valuable role. In EVERY company, organization and department. Unless you are talking a one-time, single-use project within a business, there should be a process. Whether that process is managed and implemented by humans, AI, or a combination of the two, it needs to be designed by someone with a complex enough perspective to ask the right questions. Someone capable of asking the right questions and step back and say, What are we really trying to accomplish here? And is there a different way to look at...
