THE HISTORY OF THE REBEL ALLIANCE! - The Secret History of the War in Heaven! Most wars are caused from grievances left over from a previous conflict. The American War of Independence was caused from grievances left over from the French Indian War, World War II was caused from German grievances left over from World War I, and the war that is being fought in Heaven is also being fought over past grievances. This brief 19,000 word book covers over one billion years of history.
