Kirkus Reviews A myth-destroying book that will make you rethink both the theory and practice of leadership. Daniel H. Pink, author of Drive and To Sell Is Human Pinpointing leaders is not an easy task. All managers know that within their organization there are certain key employees who are sparks those rare individuals who have a natural drive not only to get the job done, but to go far beyond what is called for. These special employees truly get more accomplished in a day than others can in a week or more. These sparks are the unique and essential people in your workplace who can help transform your company in all sorts of magical ways. And it's your job to find them, empower them, and enable them to become the true leaders they are destined to be. Based on hard-earned insights and case studies gleaned from their military experience as well as corporate leadership training, Angie Morgan (U. S. Marine Corps), Courtney Lynch (U. S. Marine Corps), and Sean Lynch (U. S. Air...

Reviews

A really wonderful ebook with perfect and lucid answers. It is really interesting through looking at period of time. Once you begin to read the book, it is extremely difficult to leave it before concluding.
