**THAR S GOLD WINGS, HARLEYS AND OTHER MOTORCYCLES IN THEM THAR HILLS!: A COLLECTION OF MOTORCYCLING ROUTES IN GEORGIA, NORTH CAROLINA AND TENNESSEE. (PAPERBACK)**

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In a day when motorcycling is not only becoming an economical way of transportation, riders are also discovering the joy of riding for pleasure. This book is written for those that want to take off and find some scenic rides in the North Georgia, Southeastern Tennessee and Southwestern North Carolina areas. I have included some motorcycling stories for your reading pleasure including a comical take on my son s first long distance motorcycle trip. The chapters have been kept to a minimal write-up description of the rides, but yet they give you a feel for the ride area. Each chapter also includes photos from the ride routes, as well as, a map and turn by turn directions. I am a very strong believer that businesses that truly believe in the biking community and welcome us into their establishments with open arms deserve our support! I have included in the book a listing of businesses that have believed in us and their information is included throughout the book. I encourage you to lend your support to these businesses that support us!.
