Open Gate Press, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. This is the story of an eminent scholar s search for the historical Jesus and the Jewish origins of Christianity. Permeated throughout by deep sincerity and love of the subject, this inquiry not only places Jesus firmly among his own people and background, thereby clarifying his actual religious beliefs, but also summarizes the essence the sources for the Gospels. This analysis explains the meaning of the terms messiah and messianic, discusses the authorship of St. John s Gospel, and above all shows the interpolations and misrepresentations in the Gospels that have been responsible for centuries of persecution of the Jewish people. The last and third biography of Jesus by this author, this culmination brings more than 60 years of research into the life of Jesus full circle.
