LIPSTICK LEATHER

Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.Three short sexy stories of mouth-watering cowboys and the women who lasso their hearts. Cowboy Up Anna Landon doesn't do long distance relationships and she doesn't do cowboys. But when Mike McDaniel comes to her rescue again and again and again, she finds herself attracted to the tall, sexy cowboy more than she ever imagined. Mike finds Anna intriguing. She's nothing like the buckle bunnies who want nothing more than to snag a world champion bull rider. He doesn't get into groupies and Anna is anything but. She's a whole lot of woman rolled up into one sexy package. Anna learns that Mike competes on the rodeo circuit and she knows that's not for her. She doesn't want a man who will be traveling so much, much less a bull rider who competes in one of the world's most dangerous sports. Her heart couldn't take it. Mike knows he has some convincing to do but he's determined to make Anna his own. Rough Rider Brianna Wilson knows a thing or two about business after running a successful Boston boutique. When she inherits her estranged father's ranch she has some ideas of her own to get the failing ranch back in the black, and dives in with plan in hand. Joe Carter never believed he could fall for a woman so fast until he finds Brianna sprawled out in a mud puddle. Problem is she comes charging into her role as boss, making decisions that could end up with every ranch hand quitting. Brianna and Joe butt heads but she soon comes to realize there's no controlling...
