

Medications for Anxiety Depression: A No-Nonsense, Comprehensive Guide to the Most Common (and Not So Common) Antidepressants and Anti-Anxiety Drugs Available (Paperback)

By Benjamin Krämer

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Brand new 2015 edition, with an expanded section on off-label and experimental options, along with a fascinating explanation of the current research into the next generation of drugs to treat mood anxiety-spectrum disorders Are you confused about which antidepressant is right for you? Would you like to learn all the important information on all of the antidepressants currently available? Do you suffer from - - Major depression (including treatment-resistant depression and dysthymia) - Generalized anxiety disorder - Panic disorder - Phobic disorder - Obsessive compulsive disorder (OCD) .or any mood disorder which is one the depressive or anxious spectrum? There are huge differences even between just SSRIs, let alone the huge number of alternatives you have probably never heard of. Unfortunately, doctors tend to be incredibly busy, and sometimes they just don't have the time to finely calibrate your treatment. This means that very often, you will just be given the drug your doctor has the most experience in. This may or may not be the right tool for the job. Quite often we see the example of two...
