## My Christmas Tree: An Easy-to-make Tabletop Model

By Mary Beth Cryan

Dover Publications Inc., United States, 2014. Paperback. Book Condition: New. 276 x 212 mm. Language: English . Brand New Book. Oh, Christmas tree! Here's everything kids need to make a full-color, 16 1/2-inch-tall holiday fir, complete with 16 ornaments and a shiny star for the top. This activity is recommended for ages 7 and up; children without much craft experience might need an adult's help. Easy-to-follow directions explain how to assemble the nine-piece tree. No scissors are required because the pieces simply pop right out of the book. Folding is easy, thanks to the pre-scored lines on all the pieces. A few dabs of glue are all that's needed to put together each three-piece ornament. Once the tree is assembled, the ornaments can be rearranged over and over again!

### Reviews

*This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).*

-- **Scottie Schroeder DDS**

*These sorts of pdf is the greatest pdf available. It really is writter in simple words and never difficult to understand. I am just very easily could get a delight of studying a written ebook.*
