WHO DUN IT?: MURDER MYSTERY LITERATURE WRITING COURSE (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It s a rainy day and there s only one thing to do! Make some hot chocolate and curl up with a cozy little murder mystery. Match your wits against the detective and see if you can discover who did it. Does that sound fun to you and your high school student? Have you dreamed of writing your own mystery? Every high school student should write a novel sometimes during their high school years. It s a valuable learning experience and most students end up enjoying the process and the finished product (your very own book!) In our house, since we love cozy mysteries, we decided to write our own Who Dun It in the pattern of the Golden Age of Mystery. With examples like Hercule Poirot, Miss Jane Marple, Sherlock Holmes, Father Brown, and Lord Peter Wimsey, we created our own detective. By reading Agatha Christie, Dorothy Sayers, Mary Higgins Clark, G.K. Chesterton, Sir Conan Doyle, and other classic mystery authors, we created our own pattern to write our very own cozy mystery novel. Who Dun It? Murder Mystery Literature Writing, a one credit high school English course, teaches literature and writing with the murder mystery/crime fiction drama genre. Teens read classic golden age mysteries and discuss them (while learning the elements of literature!) in a group setting (co-op or with family). The first half of the year, students create their detectives, assistants, suspects, plot, setting, theme, clues, red herrings, and murderer, as well as write a short story. Then, the second half of the year, they write their own murder mystery. Would you like to focus one year of high school English on reading and writing mysteries? Then, take...
