Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Blue Kimono, White Cranes is a Coming of Age, historical fiction taking place in the early twentieth century Japan. Still a very young woman, Misao Moriguchi trains to become a perfect wife. In Yokohama for a few months, living with her new in-laws, she prepares to marry her chosen husband who is already settled in California. As a Japanese picture bride, she leaves home, her family, and her country to become Mrs. Yamamoto. On the steamship, SS Tenyo Maru, Misao sails toward America, stopping over on one of the Hawaiian Islands. While voyaging the Pacific Ocean she makes a friend. Misao s new friend is another picture bride settling in Oahu, Hawaii. Together, they envision happy futures. After weeks at sea, the San Francisco Bay materializes with a picturesque coastline consisting of green hills floating above salty waters. Upon her arrival in California, Misao spends weeks on Angel Island, in quarantine. In the U.S. hospital of the small island, she first meets Doctor John. After an official American wedding, she marries Yamamoto-San and is released from the West Coast Immigration Center. For a short while, she stays with her relatives who are settled in the new Japantown of San Francisco. Misao discovers a city comprised of a variety of immigrants with different backgrounds, trying to live in peace. Soon the new bride leaves the popular city. She travels alone to meet her fated husband, who rents a piece of land in the countryside of San Leandro. But Mr. Yamamoto is not well. Misao s marriage to a spouse afflicted with fever does not last long; quickly she becomes a widow. As a new chapter of her life begins, the young widow...
