THE ESSENCE AND APPLICATIONS OF TAIJIQUAN

[DOWNLOAD](#)

North Atlantic Books. Paperback. Condition: New. 160 pages. The publication in 1934 of Yang Chengfus book, *Essence and Applications of Taijiquan* (Taijiquan Ti Yong Quanshu) marked a milestone in the modern evolution of the art of taijiquan. Using what is best-termed demonstration narrative, the author presents form postures and suggested applications from his own perspective, as he performed them. This methodology renders Yang Chengfus direct, hands-on teaching of the art with such immediacy and liveliness that the reader experiences the masters teaching much as his students did. This English translation finally makes Yang Chengfus classic work available to taijiquan enthusiasts in the West. It includes notes and commentary that clarify the authors frequent classical and literary turns of phrase and elucidate the philosophical and political underpinnings that shape the text. The translator investigates and compares several early taijiquan books in order to help explain the roles played by two of Yang Chengfus students, Dong Yingjie and Zheng Manqing, in bringing Yang Chengfus words and teachings into print. Serious students of taijiquan, and those wishing to deepen their knowledge of taijiquan history and theory, will find this seminal work indispensable to their study and practice. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
