Brand New Book ***** Print on Demand *****.Georgia Jensen and friend, Ellie Forsythe, find themselves embroiled in another suspicious death when Georgia, against her better judgment, agrees to speak at a symposium for historians. The most Georgia expected was publicity for her one-woman retiree's business, Historical Research, By George, not a dead body. But that's exactly what Ellie finds shortly after she joins Georgia on the final day of the symposium. termed two of the worst days of her life, their hopes were dashed when the final day wasn't cancelled, and the police ask that everyone involved stay on campus until they complete their investigation. to help the police uncover the real motive for the rising young historian's murder by following the victim's research trail through the 1920s. Wading through old newspaper microfilm, books and old city directories, they begin to realize that those efforts may not be enough to lead them to a cold and calculating murderer. The reason may lie in the past of one of others involved in the gathering of illustrious academicians, some of whom aren...
