HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Collins Taak of the Toon: How to Speak Geordie, Sid Waddell, Gain an insight into the English language via one of the UK's richest dialects: Geordie. From George Stephenson to The Animals to Viz, the North East has long had a successful creative culture, developing alongside its industrial history. Newcastle in particular has successfully reinvented itself as a centre of the arts, while still maintaining its own regional identity. This book is the definitive guide to the most distinctive element of that identity: the Geordie dialect. This book is a must for anyone with even a passing interest in the language of the North East, and also provides a thorough examination of the general state of English, from the traditional wit and wisdom of the Geordie perspective.
