AuthorHouse. Paperback. Condition: New. 120 pages. Dimensions: 7.8in. x 4.9in. x 0.4in. First let me start by saying this book is not meant to cause any more separation between black and white people. We are all God's children no matter what race or color, we all need to learn to live together and love each other. Before we can learn to do that, first we must learn to love ourselves. I know all of you are saying, I do love myself, but if you did you wouldn't be doing what you are doing to yourself and your kids. You may ask, what am I doing to myself? Not teaching your kids what your parents taught you, pride and self respect, not being the example for your kids, not expecting, no demanding more from them, (in a positive way). I'm only trying to show both white and black a picture of who they are. We as a black people have lost our true identity, we need to know who we really are and where we really came from, this may help us restore the pride and self respect we once had. Become someone your kids will be proud of, create large foot steps for them to follow, start saving your kids and then maybe we can save our race. This book is also dedicated to all the young people that have been killed or crippled by other young people before they had a chance to find out what life was even about, this must stop. It is dedicated in the hope that all young people will stop and think before destroying themselves and someone else. You are our future, please be there. So to all the young people in gangs and prisons, read this book and take store in what it says...
