Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

McFarland Co Inc, United States, 2009. Paperback. Book Condition: New. New.. 226 x 150 mm. Language: English . Brand New Book. Even though teenaged girl Jackie Mitchell once struck out Babe Ruth and Lou Gehrig, women are still striking out on the hardball diamond. This book builds on recently published histories of women as amateur and professional players, umpires, sports commentators and fans to analyze the cultural and historical contexts for excluding females from America s past time. Drawing on anthropological and feminist perspectives, the book examines the ways that constructions of women s bodies and normative social roles have pushed them toward softball instead of baseball. Sportswriter accounts, Title IX sex-discrimination suits, and interviews with players explore the obstacles and the social isolation of females who join all-male baseball teams, while also discussing policies that inhibit the practice.
